

ZALIOCODE

Company Profile

Zaliocode Trading

Your Partner in Excellence for Integrated Construction & Maintenance Solutions

Zaliocode Trading is your trusted "one-stop shop" for integrated maintenance and construction services in South Africa. We offer a streamlined, cost-effective approach to infrastructure and facility management through a single, accountable point of contact — ensuring efficiency, risk mitigation, and client peace of mind. Founded in 2010 and 100% Black Owned, Zaliocode is led by Managing Director Odwa Dyantyi, a qualified Property Development & Investment professional from the University of Cape Town. With a background in Mechanical Engineering and Project Management, Odwa drives the company forward as a visionary strategist and solutions-focused leader.

At Zaliocode Trading, we bring a fusion of innovation, professionalism, and integrity to every project. We operate on the belief that nothing is impossible when guided by commitment, skill, and a shared purpose. Our legacy is one of excellence, and our future is Zaliocode Trading where vision meets execution. shaped by partnerships built on trust.
